Description:

La bell'Italia è per sempre: Legendary hotels full of atmosphere

I wish the reviewers who said that this wasn't what they were looking for had gone into a little more detail. Here is what the book is about: it has information on hotels only, not the areas they are in. So unless you already know where you are going, this book is not helpful. Also, after a quick perusal, I saw price points starting at \$200 a night up to \$900 a night of course those are the kind of places that would look beautiful in this book, but it's not the type of trip we were going to do. I'm going to return this. I was looking for a coffee table book to inspire us where to go.
